

## Art industry contexts—

Studio Art 2010–2014, Area of Study 3

### Provides an insight into the operations of the Geelong Gallery

Supports students and educators in acquiring both awareness and understanding of the roles, presentation, preservation and conservation requirements of works of art in a public collection.

This learning box includes the following:

- DVD: *Insight into Geelong Gallery—faces and facts*
- PowerPoint presentation: *Gallery presentation, preservation and conservation*
- PowerPoint presentation: *The conservation project—Danaë and the shower of gold*
- Examples and items on the Gallery's standard mounts and examples of hanging systems, D-rings and corporate profiles used

This learning box is a fantastic introduction to the behind the scenes of the Geelong Gallery. It is also a great tool to use before you visit the Gallery as it will enable students to focus and extend their knowledge of the presentation of an exhibition.

## Printmakers—

Artists and art

### Explores the art of printmaking and aspects of the Gallery's renowned print collection

Assists primary and secondary students and educators to develop knowledge and skills to create, explore and interpret prints that connect history, culture, art and the stories of people. A selection of Geelong Gallery's renowned print collection is presented as the focus in this learning box.

This learning box includes the following:

- PowerPoint presentation: *Prints from the collection and suggested lessons plans*
- DVD of interviews with three regional printmakers: Kathryn Higgins, Joel Wolter and Pip Williams
- Class sets of learning activity cards focusing on Japanese wood cuts from the collection and the culture of Japan
- Links to resources on relief, intaglio, photogravure, lithography, screen-print, paper stencil and serigraphy printmaking techniques

This learning box also contains background notes for the educator and suggested learning activities.

## Borrow a learning box today

A free service for schools

Schools may borrow the learning boxes free-of-charge for use in the classroom (subject to availability). Professional development support for educators can also be arranged with the Gallery Educator. To find out more or to book a learning box, please contact:
